Description

Interphone MOTIONCAM01 is the perfect video camera for shooting on motobikes, bikes, in car etc. which demands high recording quality in a compact, easy-to-handle unit. One of the lightest cameras on the market, it is completely waterproof, guaranteeing high-quality shooting down to a depth of 20 meters. It is equipped with a dual extra-bright LEDs for night-time shooting and a laser pointer to optimize framing. The quick attachment/detachment system is easy to fit on any object thanks to the belts of various lengths included with the kit.
